About *Curb Appeal: The Block*

HGTV's *Curb Appeal* travels to Atlanta to help beautify homes on the same block with a variety of makeovers. In each episode of *Curb Appeal: The Block*, designer John Gidding, contractor Chip Wade and project manager Kimberly Lacy overhaul one home's exterior with a makeover so dramatic it's no longer considered the neighborhood eyesore but the envy of the block. Next, they make their way up and down the street to repaint front doors, add window boxes and provide smaller-scale makeovers that create instant impact and increase the value of the entire block. The series will air regularly on HGTV on Saturdays at 9:30pm. [\[more information about the show\]](#)
